From the Principal's Chair:

Kia everyone

I would like to thank all who contributed to the West Sear-Maxwell fund for the family to support in getting accommodation and things that they need. We raised just over \$150 in one day and that is fantastic. Thank you.

Senior Camp is looking like it might be cancelled if we cannot get three parent helps to support the camp. PLEASE THIS IS URGENT as to cancel would be a shame for everyone. We need names and police vetting forms as soon as possible. Camp forms and money also needs to be sent back to school. Remember you can pay online or set up a weekly payment. See Carolyn for this.

Family conferences are next week, Tuesday and Wednesday 3-6pm, and this is an ideal time to meet the teacher and discuss what goal you would like to see your child achieve. Return the form to school to ensure that you get time for this.

Consent forms for photography and photos to be shared went home last week, these need to be returned as soon as possible please.

On Thursday last week we had our first online Chess Tournament and what a game, with our players coming in 16th and 17th out of 47th, with others getting excellent results as well. Congratulations to Kaylin, Jordyn, Hunter, Chloe, Emily and Amelia. These games will be a regular event with our players practising every Friday. If you can play and would like to support

come along Friday at lunchtime to give some support.

Swimming sports for Runanga School have been cancelled for this term and instead we will hold them at the end of the school year when the pool re-opens. We believe that with so much happening that this will mean a true celebration of successes and accomplishments.

Remember at any time if you need to see me please contact the office and make an appointment.

Looking forward to seeing you all next week. Take care and enjoy the rest of the week.

Remember, if you can help for camp please let us know as soon as possible.

Nga mihi
